North-West University

Bragging rights

Top 7 University

NWU ranks among the top seven South African universities in the 2024 Academic Ranking of World Universities (ARWU).

Top 4.2% world's best universities

The Center for World University Rankings (CWUR) places NWU in the top 4.2% of the world's best universities.

Top 8 universities in Africa

NWU is also recognised as one of the top eight universities in Africa for environmental sustainability.

Find out more [here](#)

It all starts with North-West University (NWU) – one of Africa's top universities!

NWU offers a world-class education to an international student body from over 60 countries.

What can NWU offer you?

NWU provides a world-class education and a supportive community where you can soar.

- **High quality**, affordable education.
- Safe and inclusive environment.
- Vibrant **student life**.
- Thriving **sport** and cultural activities.
- **Quality expertise** with nationally and internationally-rated academics and world-class research facilities.
- **High employability** rating as a result of our co-curricular offerings.

Where is NWU located?

NWU has campuses in: **Mahikeng, Potchefstroom, and Vanderbijlpark.**

- MAHIKENG CAMPUS
- POTCHEFSTROOM CAMPUS
- VANDERBIJLPARK CAMPUS

* Remember that certain qualifications are only offered at specific NWU campuses.

* If you can't find your preferred qualification, visit: [NWU Studies](#) to see on which campus it's offered.

Student life

NWU is known for its student life!

Being a student is not just about attending classes, late nights in front of the books, or writing exams. It's a unique experience that prepares you for your career, encourages you to try new things, and develop your interests.

- Be part of a community
- Strive to lead
- Sport and arts – be a champion in your own right!
- Have fun and make life-long friends

Accommodation

Live and learn at NWU!

Our residences are more than just places to sleep. They are vibrant communities where you can truly belong.

Find your home away from home, find:

- **A community of support:** Find a community that supports you through every step of your academic journey.
- **A family of friends:** Our residences foster friendships beyond the classroom.
- **Which residence is the best?** Each residence brings unique experiences and a strong sense of belonging.
- **Heartbeat of student life:** Conveniently located near dining halls and minutes from campus, you'll have everything you need within reach.

For our on-campus and day-house (off-campus) options, [click here](#).

Minimum requirements: Bachelor's Degree

- Obtain a **National Senior Certificate (NSC)** or **International Secondary Certificate (ISC)**, issued by Umalusi, which also indicates that you meet the requirements for a bachelor's degree.
- An NSC with a minimum of 50% in any **four NSC 20-credit subjects**.
- APS is calculated using **six subjects**, excluding Life Orientation. Since Life Orientation isn't included at NWU, however most faculties at the NWU recommend a 60% pass in Life Orientation.
- **Subject-specific requirements** per faculty, which include the language of learning and teaching at 50%.

What is an APS?

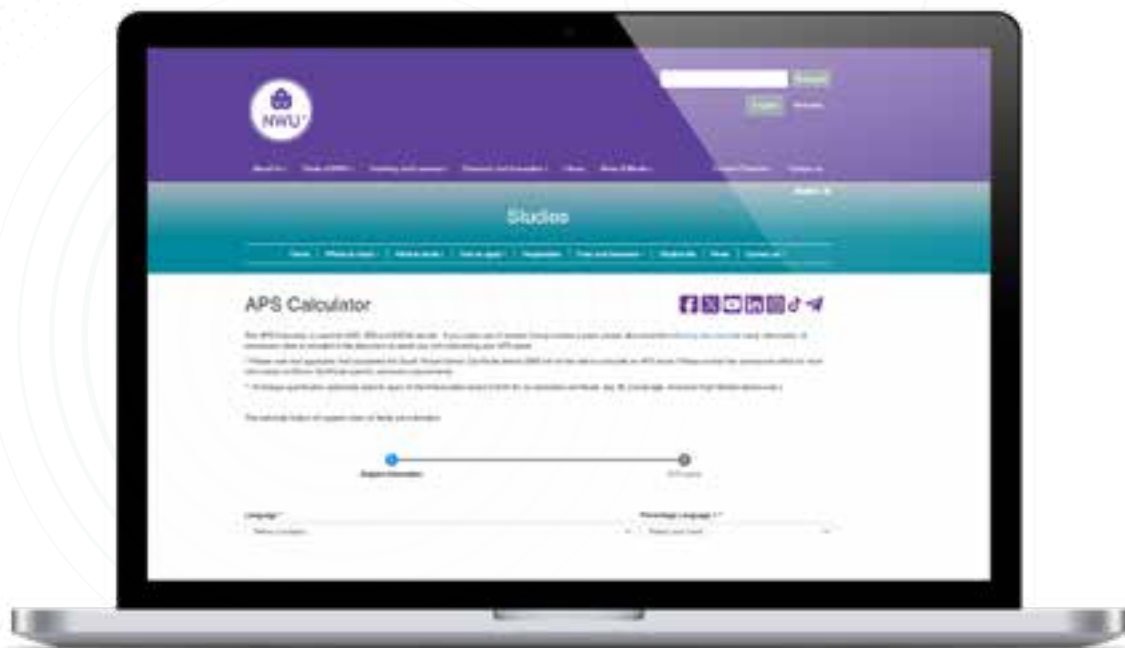

The Admission Point Score (APS) helps universities assess if you meet the entry requirements for your chosen course. It's based on your Grade 11 or 12 results from your six best-performing subjects, excluding Life Orientation. Each subject earns points depending on your percentage.

The APS is a key factor in determining eligibility for specific programmes. NWU's APS Calculator allows you to calculate your score for NSC, International Secondary Certificate (ISC), and SACAI results, and check if you qualify for the programme you wish to apply to.

[Calculate your APS](#)

See the example on how your APS is calculated:

Subject	Percentage (%)	APS
Setswana	72%	6
English	69%	5
Dance Studies	85%	7
Mathematics	82%	7
Accounting	69%	5
Business Studies	76%	6
Total		36

International Students

If you attended a private or international school, you may use the conversion table available on the NWU website to [calculate your APS score](#).

The Cambridge International curriculum is the most widely used international examination. Under this system:

Depending on which level you complete on the Cambridge system, you'll receive different scores.

- The **Cambridge IGCSE** qualification is equivalent to a South African Grade 11, and **Cambridge AS Levels** are equivalent to a South African Grade 12.
- Depending on the level you complete, you'll receive different APS scores.

APS Calculation by Level:

- **O/IGCSE Levels:** Begin at a score of 5 for the lowest level.
- **AS Levels:** Equivalent to the South African matric; grades above 90% earn an APS of 8, while grades of 80% and above earn 7, and so on.
- **A Levels:** Equivalent to a first-year university level; a grade of A earns the highest score, APS = 10.

Calculate your APS based on six (6) subjects, using the highest level passed in each subject.

Note:

- For qualifications that require Physical Science as a subject, both Physics and Chemistry are mandatory.
- Mathematics is accepted at AS Levels.

Conversion example:

Subject	Level	Grade	APS
English	IGCSE/O level	C	3
Setswana	IGCSE/O level	C	3
Mathematics	A level	B	7
Biology	A level	C	6
Geography	IGCSE/O level	B	4
Total			23

Example: conversion for the International Baccalaureate Diploma (IB)

Subject	Level	Grade	APS
English	HL	6	8
Mathematics	HL	4	6
Physics	HL	4	6
Chemistry	HL	5	7
French	SL	4	5
Biology	SL	6	7
Total			39

Support for International Students

The Global Engagement Office is ready and able to make your journey as an international student as easy as possible. Experts are waiting to assist you!

Interest-Index

Choosing a career path can be overwhelming, especially with so many options out there. North-West University's (NWU) Interest-Index is a handy tool available to assist and guide you in choosing your future career.

Why the Interest-Index is your secret weapon:

- Explore the activities you enjoy and are good at, and you'll understand your interests and talents.
- The Interest-Index matches your interests with potential career paths and university courses, opening doors to a fulfilling future.
- When you complete the survey, you'll receive a personalised report that reveals exciting possibilities you may not have considered before, broadening your horizons, and sparking your imagination.

Take the survey now:

Please note that this service is not intended to be a substitute for professional career guidance.

- For professional career guidance (psychometric testing), please contact our Student Guidance Services department at 018 299 2893 or contact a career psychologist in your area.

NWU Virtual Tour

Get a glimpse of life at NWU from the comfort of your own home. Take a virtual tour of the campus, and enjoy a personalised tour based on your interests!

Choose two qualifications, the campus, and the activities beyond the classroom. From your choices, a tour is compiled that is personalised for you.

Explore excellence at NWU through Campus Visits

Experience our vibrant campus life, connect with inspiring faculty, and explore state-of-the-art facilities. NWU campus visits give you the chance to envision your academic journey and find where you belong.

Before you book your campus visit, consider this:

- Which faculty do you want to explore?
- Do you want to visit a residence?
- Do you have a passion for a specific sport?

Get ready for an unforgettable NWU adventure! [Book your visit now.](#)
To ensure you have the absolute best time, book your visit **48-72 hours in advance.**

We can't wait to show you what NWU is all about!

Internal and External Bursaries

Studying takes hard work, but also requires funding. To help you finance your academic future, we have compiled a list of bursary schemes

Internal Bursaries

Academic Merit Bursary Own your academic journey and pay for your studies. The Academic Merit Bursary is available to all full-time first-, second-, third- and fourth-year students who complete their degree within its relevant duration, e.g., within three years for a three-year degree. To qualify for this bursary, you must meet specific academic requirements. Part-time students must apply and qualify for half of the allocation.

Family Discount Families with two or more students registered simultaneously at NWU can apply for this bursary and will receive a percentage discount on class fees, depending on whether you are the second, third, or fourth family member. One student must apply annually, and it is not awarded automatically.

Arts and Culture Bursary Students qualify based on their achievements in arts and culture from Grades 8-12. To apply, visit: [Arts and Culture Bursary](#). The Department of Arts and Culture will assess your application. Senior students qualify based on participation in cultural activities at university, e.g., NWU choir, symphony orchestra, and others.

Leadership Bursary Were you a head boy, head girl, or a chairman in Grade 12? Thanks to the once-off leadership bursary, you can get an additional discount on your first year of study.

Support Bursary NWU offers bursaries to prospective students with physical disabilities or students who come from an orphanage or foster care system. The relevant student must have university admission before applying and need only apply once. Ensure all necessary documents are attached to the application form: [Support Bursary Form](#).

Sports Bursary The NWU Sport Department only awards bursaries to contracted students. Prospective students with provincial colours can apply for a sports bursary in the year before they plan to study at NWU. For more information, [click here!](#)

External Bursaries

A significant number of bursary opportunities are available outside of NWU.

NOTE: Some of the organisations listed below may expect learners to apply for a specific course of study.

Other Bursaries

We want to help you find a bursary, so we have compiled a list of other bursaries that may assist in funding your university journey. For more information, [click here](#).

Sport

Students in South Africa and across the world prefer NWU as their university of choice for sport. NWU students can participate in various sports such as rugby, netball, hockey, soccer, athletics, and many more. To learn more, [click here](#).

NWU Arts offers a distinctive combination of academic excellence and hands-on experience. Whether your passion lies in visual arts, performing arts, or digital media, NWU provides a platform to cultivate your creativity and refine your skills under the mentorship of accomplished faculty members and industry professionals.

North-West University's arts community is a dynamic hub of ideas, where collaborative and interdisciplinary projects thrive, allowing you to work alongside fellow #NWUEagles. This collaborative spirit reflects the real-world creative industries, equipping you for a future where versatility and adaptability are essential.

NWU's state-of-the-art facilities, studios, performance spaces, and galleries are designed to inspire and support your artistic journey.

- NWU Gallery
- Artema
- PUK Choir
- SCC Arts Council
- Symphony Orchestra
- Serenaders
- Dysfunctional Beat Dance Crew
- Thalia Drama Society
- Gospella
- Divaco

NWU Young Eagles

The North-West University Young Eagles Community of Excellence!

The NWU Young Eagles programme is designed to support and guide you throughout your academic journey. Aimed at helping you unlock your full potential; it prepares you for university life and offers exciting online enrichment programmes to develop your skills and broaden your horizons.

Gain valuable life skills that will set you up for success, not only in academics but in all areas of life. Plus, you'll connect with like-minded students and mentors who are passionate about learning and personal growth.

Explore a world of opportunities with the NWU Young Eagles!

Ready to apply? Follow these steps!

5 easy tips for seamless application process.

1. Have an active email address ready
2. Know your desired study field options' minimum admission requirements
3. Prepare your supporting documents digitally
4. Create an application profile and complete fields thoroughly
5. Accept your conditional acceptance offer within the limited time frame

1 Create Your Application Profile

- **Register:** [Visit the NWU application system](#) and create your profile by registering with your personal details as shown on your ID document.
- **Confirmation:** You'll receive your username (email address) and temporary password via email. Use these to log in to the application system.

2 Log In

- Use your username and password to access the application system. Be sure not to change your email address or phone number throughout the year, as all important communication will be sent to these contacts.

3 Choose Your Study Options

- Select up to two study programmes that interest you. For detailed information on qualifications, delivery methods, and curriculums, [visit our yearbooks](#).
- **Note:** Study options are linked to specific campuses. Ensure you choose the correct campus if your preferred programme is not listed.

4 Upload Supporting Documents

- Prepare and upload the following documents in a digital format (PDF, JPEG, etc.):
 - Certified copy of your ID document.
 - Final Grade 11 or 12 results.
 - If applicable, a copy of your academic records.
- **For International Students:**
 - Certified copy of your passport.
 - Most recent academic records and qualifications.
 - Medical examination according to your country's requirements.
 - Apply for an evaluation certificate from the South African Qualifications Authority (SAQA) after completing your high school career.

5 Submit Your Application

- Review all your information and read the declaration on the final screen before you submit it.

Watch our [application video for step-by-step guidance](#).

Please note: An application that has not been submitted cannot be processed by NWU.

What do you want to study at our 8 Faculties?

Helpful abbreviations:

HL – Home Language
MC – Mahikeng Campus

FAL – First Additional Language
PC – Potchefstroom Campus

SAL – Second Additional Language
VC – Vanderbijlpark Campus

Admission requirements

Please note the admission requirements can change depending on selection and possible faculty-specific requirements.

Study information is also subject to change, consider this a summary of the general fields of study. This information was compiled for introduction and orientation purposes and North-West University accepts no liability for inaccuracies that may occur in this guide. The official yearbook of the University must be consulted in all cases during the process of compiling a programme for a specific field of study.

[Download the yearbook](#)

Owing to specific capacity constraints, the University reserves the right to select candidates for admission to certain study fields. This means that prospective students who comply with the minimum requirements will not automatically be admitted to the courses in question.

Because of the capacity limitations and the high demand for admission to particular fields of study, students will be evaluated based on their final Grade 11 results and fully accepted for admission based on their final Grade 12 results.
